

TOWN OF FAYSTON
BOARD OF CIVIL AUTHORITY
MEETING APRIL 12, 2012

Board Present: Robert Vasseur (Robert), Tom Bisbee (Tom), Rick Rayfield (Rick), Ann Day (Ann), Jared Cadwell (Jared) and Patti Lewis (Patti)

9:35a.m. meeting opened.

1. BCA reviewed the most current checklist. Using information from the PTTRs, personal knowledge of people that have moved or died, address changes, phone calls to GMVS and Center for Whole Communities, and town report returns, the BCA authorized Town Clerk to challenge a number of registered voters.
2. Jared made a motion to authorize Town Clerk to challenge registered voters at will using PTTR information. Tom seconded, no further discussion, all in favor, motion carried. (Robert did not vote as he left prior to vote.)
3. Rick questioned if there was a report available that would show voter participation from previous elections and if so, might it be a good way to challenge voters who have not participated in the past two or more elections. Patti will look into this possibility.

10:40a.m. meeting adjourned.

Respectfully submitted:

Patti Lewis
Town Clerk
