

**Fayston Natural Resource Committee Meeting Minutes
August 18th, 2008**

Members present:

Patti Greene-Swift & Mary O'Leary.

Absent: Ky Koitzsch, Chair, Ned Kelley, Stellan Wollmar, Peter Forbes, and Jane Lazorchak

Next Meeting:

The next meeting will be held at 7:00 p.m. on September 15th, 2008.

Homework for members:

Continue the work you have in progress~

Minutes:

Minutes weren't approved since a majority of members were not present to vote.

Issues discussed:

Fayston Town picnic:

Both Mary & Patti agreed that time is running out to plan, and successfully publicize the event. As well, it was agreed that it would be better to put on a picnic during winter or spring (perhaps during mud season?) than to put one on last minute without ample planning & publicity.

Publicity will require newspaper articles & notices, posters, flyers, brochure, town website, other methods.

Fayston sponsors for the picnic...do we have enough Fayston businesses for sponsorship?

Not enough members were present to decide/vote on picnic details.

Delay picnic to winter or spring if members cannot get together soon.

Possible theme: Celebrate our mountain community?

Site for picnic: Knoll Farm (Peter had volunteered the space at prior mtg.).

Ancient Roads:

FNRC needs to finish the Ancient Roads work by completing the research for the 3 roads chosen; if members desire other roads to be added to the three please make that known as soon as possible & be ready to do some work!

Other items:

Put Action Plan for Chase Brook on hold while finishing up Ancient Roads?

What did Ky flag the boundaries with?

Mary has put together the Chase Brook Action Plan.

Patti has started the wetland delineations on Chase Brook parcel.

Be well all & enjoy the warm late summer weather.

Respectfully submitted,

Patti Greene-Swift
