**1. Minutes**

Minutes were approved from the December 2012 meeting. Gene made the motion to approve and Ky seconded.

**2. Town Conservation Reserve Fund Forum**

The FNRC and Liza Walker of the Vermont Land Trust held a public forum at 6pm so that Fayston residents could decide whether or not they would authorize the use of \$10,000 from the Conservation Reserve Fund for the Bragg Farm. There was a very small turnout for the forum. After Liza gave her presentation, there was a brief and productive conversation about conservation issues in Fayston. Since there was no opposition to the use of the funds for the Bragg Farm, the FNRC will notify the Select Board that they can release the necessary funds.

**3. Town Meeting and Conservation Reserve Funding**

The FNRC discussed the upcoming Town Meeting presentation and how best to present our request for additional funds for the Conservation Reserve Fund.

**4. Next FNRC meeting will be in February. Date to be determined.**
