The Select Board met with members of the Boyce Hill Steering Committee to continue a meeting held on November 9<sup>th</sup> in which the Steering Committee presented the status of the Boyce Hill management planning process. At the November 9<sup>th</sup> meeting, the Select Board presented the Steering Committee with a list of thoughts and concerns. The Committee met and crafted a response to the Select Board, which they handed out to the Select Board members present at today's meeting. The main purpose of the meeting today was a field walk to discuss the two documents and any questions the Select Board had about the Committee's vegetation management proposal.

No final decisions were made at this meeting, but the Select Board will write up their recommendations and suggestions for the Steering Committee within a couple of weeks.
