Agenda line items 2-7, Madison and Patti explained the process in how the Secretary of States Office mailed all registered voters a General Election ballot on October 1,2024. We were able to discuss the importance of only sharing facts and asking for clarification if unaware of a question/situation. We discussed emergency procedures, and the process of de-escalating voters.

Madison explained the Election Day schedule, and let everyone know that we will email out a final schedule soon.

9:54 A.M Rick stated that we will now mark ballots for logic and accuracy testing of the tabulator. Once this process is complete the meeting will be adjourned.

Respectfully,
