Chase Brook Town Forest Plan Survey

Share your opinions about the management of this beautiful Fayston property!

Chase Brook Town Forest Town Forest is a 72-acre tract of land at the intersection of Mill Brook and German Flats Roads across from the Fayston Elementary School. The property also includes the McCullough Barn which is unheated and has no electric service, but can be used seasonally for group gatherings, camps, etc.

The Fayston Conservation Commission is updating the forest's management plan and is seeking public input to guide its decision making. The Conservation Commission encourages you to share how you use Chase Brook Town Forest now and your vision of what you would love it to become. The survey is available online at https://bit.ly/CBTFSurvey (or scan the QR Code). Paper copies may be picked up at the Fayston Town Offices at 866 North Fayston Rd.

Please send any questions or comments to FaystonConservation@madriver.com.
