Please join us at the Town Hall on Wednesday , May 13 from 2:00- 4:00 as Hannah Kirkpatrick from the VHS will teach us about the process of "Tiering" our collection; this is the next step for the FHS and we will need lots of hands-on deck to complete this task over the summer.

Here is the Agenda for our next scheduled meeting from 4:00- 5:15 on Wed, May 13 at the Fayston Town Hall. As you can see at the top of the document, we have added a Zoom link for those who wish to attend virtually. We have LOTS of new projects we are undertaking so please take a look and bring your computers to the meeting as we will not be passing out paper copies of documents :)
